ABDUSELAM EDRIS

SOFTWARE DEVELOPER

Highly motivated and results-oriented software developer with extensive experience in fullstack development. Proven ability to lead and collaborate effectively, troubleshoot complex technical issues, and implement innovative solutions to improve efficiency and functionality.

WORK EXPERIENCE

Software Developer and Technical Support Engineer

Kerentina Foregn Employment Agency | Bole, Addis Ababa

I expertly debugged complex systems, resolved diverse technical issues across phone, computer, and email platforms, and facilitated communication by translating from Arabic to the domestic language for company workers. My role combined advanced software development expertise with effective technical support and multilingual capabilities.

EDUCATION

BACHELOR OF COMPUTER SCIENCE

Hawassa University | Hawassa, Ethiopia
